Peasley Safety Consulting, LLC

Commercial Vehicle Safety Consultant

***Summary of
Services
&
Schedule of
Fees***

Revised January 1, 2007

Peasley Safety Consulting, LLC is a New Hampshire-based firm offering consulting services to legal, insurance, accident reconstruction and trucking industry clients nationwide on automotive, truck and bus safety issues.

We specialize in the USDOT Motor Carrier Safety and Hazardous Materials Transportation Regulations and the New Hampshire Motor Vehicle Code and Administrative Rules.

Our services and seminars are designed to help you maintain workplace safety, maintain productive employees and keep you from incurring expensive fines and downtime from out-of-service drivers and vehicles and accidents.

Litigation Support:

- Negligent Homicide
- Cargo/Load Securement
- CDL Issues
- Commercial Vehicle Inspections
- DOT Drug & Alcohol Testing
- Driver Qualifications
- Negligent Hiring
- Hazardous Materials Transportation
- Hours of Service for CMV Drivers
- Maintenance of CMVs
- Personal Injury
- Property Damage
- Wrongful Death
- Wrongful Termination

Expert Witness Testimony:

Appearance as expert witness for criminal and civil court proceedings and depositions as a commercial motor vehicle safety expert.

Compliance Reviews/Safety Audits:

Peasley Safety Consulting, LLC will conduct a comprehensive audit of your DOT safety operation in accordance with the criteria established by the Federal Motor Carrier Safety Administration. We will recommend Compliance Plans and offer help in developing company policies to correct violations or deficiencies found during our Compliance Review/Safety Audit.

Training Seminars:

Peasley Safety Consulting, LLC will conduct training seminars at the facility of your choice on the following compliance subjects:

- DOT Drug and Alcohol Testing Compliance
- Drug and Alcohol Reasonable Suspicion Training for Supervisors
- Accident Investigation Training for Drivers and Supervisors
- Driver Qualification and Vehicle Maintenance File Setup
- Procedure/Policy Development
- Driver Log/Hours of Service
- Hazardous Materials Employee Training Basics

Recordkeeping Service:

Peasley Safety Consulting, LLC will setup and maintain your records on:

- Drug and Alcohol Testing
- Employee, Driver, Mechanic, and Supervisor Training
- Insurance Records
- Accident Records
- Driver Qualification Files
- Vehicle Inspection, Repair and Maintenance
- Hours of Service and Supporting Documents

Driver-Safety Meetings:

Chose from an array of DOT compliance subjects and highway safety issues for an informative driver-safety meeting. Documentation and Certificates of Training are provided.

Driver Appreciation/Awards:

Here's a great way to give your best drivers a well-deserved pat on the back and boost morale. Incorporate a DOT compliance subject with Safe Driver Awards such as:

- Certificates
- Patches
- Pins
- Belt Buckles
- Watches
- Wallet Cards
